

REMARKS

The Examiner has objected to the drawings. Such objection is deemed overcome by virtue of the drawing corrections submitted herewith.

Specifically, the Examiner has objected to the drawings since the boxes in Figures 1-18 are wordily labeled. The Examiner has requested that all of the figures be labeled (for instance boxes 20, 50, 30, 61, 60, 83, 84 should be labeled as "conversion circuit," "biasing source," "shifting circuit," and so forth).

These objections are deemed avoided by virtue of the drawing replacement sheets submitted herewith.

Reconsideration is respectfully requested.

In the event a telephone conversation would expedite the prosecution of this application, the Examiner may reach the undersigned at (408) 505-5100. Applicants are enclosing a check to pay for the added claims. The Commissioner is authorized to charge any additional fees or credit any overpayment to Deposit Account No. 50-1351 (Order No. CFR1P001).

Respectfully submitted,
